**A. Action Item: Vehicular Wayfinding Directional Signs (6:10 – 6:40)**

North Park Main Street received a grant to implement vehicular wayfinding directional signs for parking, shopping, dining, and other local attractions. The proposal is to install signs at approximately 20 locations throughout North Park.

Presenter: Genie Jackson, ISA Design

Genie provided handouts that presented map of where the signs will be and details of sign size and photos of proposed location of each.

21 total signs, 16 on existing posts, and 5 on new poles.

The goal is to make navigation easier; direct people to parking, shops, etc.

No specific businesses will be listed.

Design of signs match NP monument sign.

The same idea is now in Hillcrest.

Permitting- under “placemaking” program- is being expedited

Requires staff review and sign-off.

Got board approval from NP Main Street

*Motion: To approve design of the wayfinding signage in concept with the following recommendations: 1) Consider using a Craftsman Font for the words 'North Park'; 2) Consider having signs pointing to other parks such as Neighborhood Park and Mini Park. Taylor/Gebreselassie (6-0-0).*
