

NPPC BOARD ELECTIONS 2020

Eligible residents and businesses can participate and vote in the upcoming North Park Planning Committee (NPPC) election in March 2020

To be eligible to vote in the March 17 NPPC election, you must:

1. Live, work, own property, or own a business¹ in North Park²
2. Have a valid Eligibility Registration Form on file
3. Have signed in at one NPPC meeting³ prior to the elections.

January 21 and February 18 are the last remaining opportunities to establish eligibility

4. Present valid identification⁴ at the March 17 Election

Meetings start at 6:30 p.m. at North Park Christian Fellowship, 2901 North Park Way, across from the parking garage. Although it may be beneficial to become familiar with the topics discussed during the meeting, it is not required to stay for the entire meeting once you sign in.

The NPPC provides advisory recommendations to the City's Planning Commission and City Council regarding projects in the community, and is recognized by the City as an important part of the approval process including but not limited to land use, new development, public facilities, and transportation. The more participants, the more influence we have on the future of North Park: how it will look and what it will include.

The NPPC offers many ways for you to get involved

- Attend the monthly General Meetings
- Learn how City government operates and how its decisions affect North Park
- Hear City representatives, staff from elected officials, prospective developers and community members present their vision of the future of North Park
- Ask questions and voice your own opinion about matters before the NPPC

For questions about the election, email info@northparkplanning.org

¹ Business owners may designate a representative to vote on their behalf and present a letter from the property owner designating a representative to vote in the election along with a valid identification

² The general boundaries of the North Park Planning Area are: Park Boulevard on the west, Interstate 805 on the east, the south rim of Mission Valley on the north, and South Park (along the middle of Juniper Street from the east side of Balboa Park to 32nd Street, then south and east to Interstate 15) on the south. See Exhibit on Page 2

³ A qualifying regular NPPC board meeting within the NPPC year is from April (of the previous year to the March elections) to February (the month prior to the March Elections). Subcommittee meetings do not count towards eligibility to run and/or vote for a seat on the NPPC board.

⁴ Valid identification must show the name of the voter and qualifying North Park address, and may include a California Driver License. If the qualifying North Park address is not shown on the California Driver License, then additional information such as a Property Tax Bill, or Utility Bill may be shown
