

Primary Street or Address (Project Location)	Cross Street (Limits)	Additional Explanation of Project Location	Project Description	2021 Priority Ranking	2023 Priority Ranking
4044 Idaho St, San Diego, CA 92104	Lincoln Ave. and Polk Ave.	North of Lincoln Ave. and South of Polk Ave.	Replace and expand OR upgrade the existing recreation center to provide a 17,000 square feet recreation facility (possibly add second story); provide improvements and ADA upgrades. In the interim, redesign current foyer to serve as lobby area for recreation center; install additional outdoor security lighting, and extend security system into multi-purpose/arts & crafts room. CIP No. P-18001 Existing facility consists of 11,232 square feet in three separate buildings; facilities are outdated to fully serve community. This project is also in alignment with the Climate Action Plan as it reduces greenhouse gases by increasing the energy efficiency of the facility. The Climate Action Plan was adopted by the San Diego City Council in December 2015.	4	4, low priority due to funding in current budget for this project
2745 Howard Avenue, San Diego, CA 92104	Howard Avenue and Oregon Street	Southeast corner of Howard Avenue and Oregon Street	Demolition/rebuilt or upgrading the existing Adult Center at North Park Neighborhood Park. Replace and expand OR upgrade the existing adult center to provide 3,000 square feet, with recreation facilities designed to accommodate a variety of community oriented meeting and recreation programs for adults  There is an urgent need in North Park for better facilities to be used for holding public meetings.	5	3 mid-priority
	Howard Avenue, Oregon Street, and El Cajon Blvd	Recreation areas around North Park water tower	Demolition or rebuild this area, consider soccer fields and extend park across Howard Avenue to connect with recreation areas to the south. If no longer to be used as a recreation facility, consider rebuild this area for affordable housing.	N/A	3 mid priority
	Between Florida and Joe Schloss Way and Upas and Pershing		Support the design and construction of a new 26,392 square feet recreation center to accommodate community meetings, gymnasium, recreation and fitness programs, and restrooms, consistent with the recommendations in the Balboa Park East Mesa Precise Plan. Provides facilities that accommodate a full range of City Programs to serve residents and cultivate civic involvement. Locate free public meeting spaces in easily accessible locations throughout North Park.	6 - Lowest	5 low priority, group with Rec Center and Adult Center replacement or expansion
In Morley Field and the East Mesa areas of Balboa Park adjacent to North Park	Morley Field Drive from Park Blvd. to Upas St.	Support the implementation of pedestrian facility improvements	Add sidewalks, lighting, curb ramps, and crosswalks at locations including but not limited to the following: in Morley Field and the East Mesa areas of Balboa Park adjacent to North Park including Morley Field Drive from Park Blvd to Florida Street, Morley Field Drive from Florida Street to Upas Street, and Upas St. from Park Blvd. to Florida St.	1 - Highest	3 mid-priority
30th St. at Upas St.	Between Dale St. and Ray St.	East of Dale St. and West of Grimm Ave.	Support the construction of appropriate traffic calming improvement at intersection of Upas Street, 30th Street, and ray Street. This area has grown as a busy commercial area, and poses safety risks to pedestrians, cyclists, and motorists, as well as traffic congestion. This project is in alignment with Vision Zero, a strategy to eliminate all traffic fatalities and severe injuries in San Diego. The San Diego City Council adopted a Vision Zero resolution in October 2015. This project is also in alignment with the Climate Action Plan as it reduces greenhouse gases by promoting walkability. The Climate Action Plan was adopted by the San Diego City Council in December 2015. Considerations should include improving lighting at night, redirecting the exit from the Jack-in-the-box drivethrough exit, and analyzing data of incidents at this intersection to determine effective solutions.	6 - Lowest	1 high Priority but needs solution
2229 Morley Field Drive, San Diego Ca 92104	Morley Field Drive, Balboa Park		Preservation and restoration/renovation of the existing historic Bud Kearns pool facility to serve the Golden Hill and North Park Communities. Provide additional swimming facilities such as children's play pool, therapeutic pool and additional clubhouse pool building facilities to meet the needs for the community. The new facilities should augment and be complimentary to the existing pool and clubhouse without compromising the historic character of the original pool and clubhouse. CIP No. S-17000 Preservation, Restoration, Rehabilitation of existing historic pool	6 - Lowest	6 low priority, restoration of facility completed, but additional services to the community should
