

**DRAFT OPERATING PROCEDURES OF THE NORTH
PARK PLANNING COMMITTEE 11/25/23**

ARTICLE I Name

- Section 1. The official name of this organization is the North Park Planning Committee (NPPC), for the Community Planning Group for North Park.

- Section 2. All activities of this organization shall be conducted in its official name.

- Section 3. The community planning area boundaries for the North Park Planning Committee are the boundaries of the North Park community, as shown on Exhibit "A."

- Section 4. Meetings of the North Park Planning Committee shall be held within these boundaries, except that when the North Park Planning Committee does not have a meeting facility within its boundary that is accessible to all members of the public, they may meet at the closest meeting facility.

- Section 5. The official positions and opinions of the North Park Planning Committee shall not be established or determined by any organization other than the planning group, nor by any individual member of the planning group other than one authorized to do so by the planning group.

The North Park Planning Committee may authorize a current or former elected or appointed Board member to serve as a designated representative on an external committee or task force. Authorization for appointment as a designated North Park Planning Committee representative requires a vote by the North Park Planning Committee, which must include specific information regarding the designated representative's authority to represent the group's positions, and how the individual is to report back to the Board on the committee or task force's work or actions.

ARTICLE II Purpose of Community Planning Group and General Provisions

- Section 1. The North Park Planning Committee has been formed and recognized by the City Council to work with and to make recommendations to the City Council, Planning Commission, City staff, and other governmental agencies on land use matters, specifically concerning the preparation of, adoption of, implementation of, or amendment to, the General Plan or a land use plan when a plan relates to the North Park community boundaries. The planning group also advises on other land use matters as requested by the City or other governmental agency as detailed in Council Policy 600-24, Article II: Purpose of Community Planning Groups and General Provisions. The NPPC may work with the City, other governmental agencies, or other organizations or individuals on issues not specifically stated in these operating procedures.

- Section 2. In reviewing individual development projects, the NPPC should focus such review on

conformance with the Land Development Code, and the adopted Community Plan and/or the General Plan. Preliminary comments on projects may be submitted to the City during the project review process. Whenever possible, the formal planning group recommendation should be submitted no later than the end of the public review period offered by the environmental review process. Upon receipt of plans for projects with substantive revisions, the planning group may choose to rehear the project and may choose to provide a subsequent formal recommendation to the City.

Section 2a The NPPC recognizes that City staff and development project applicants in some cases are not required by the City to present their project or application before the NPPC although the City encourages applicants to conduct robust engagement with all CPGs, the community, and project neighbors.

Section 3 The NPPC will comply with California's Open Meeting Law, the Ralph M. Brown Act, set forth at California Government Code sections 54950 through 54963 (Brown Act), by conducting meetings, when required, that are open to the public, properly noticed, and in compliance with each of the Brown Act provisions. Failure of the NPPC to conduct meetings in compliance with the Brown Act provisions shall constitute sufficient reason for the NPPC to lose its Council recognition and may subject the NPPC and NPPC voting members to a loss of indemnification by the City.

Amendments to Council Policy 600-24 will apply to the North Park Planning Committee, as well as to all other community planning groups, even if individual group's operating procedures are not required to be amended with parallel language.

In addition, the Administrative Guidelines provide explanations of the Policy's minimum standard operating procedures and responsibilities of this planning group. The latest version of Robert's Rules of Order is used when the Policy, the Administrative Guidelines, and these operating procedures do not address an area of concern or interest.

Section 4. The North Park Planning Committee may propose amendments to these operating procedures by a two-thirds vote of the voting members of the planning group. Proposed amendments shall be submitted to the offices of the Mayor and City Attorney for review and approval. Any proposed amendments that are inconsistent with Council Policy 600-24 shall not be approved by the Mayor and City Attorney and shall be forwarded to the City Council President, who shall docket the matter for Council consideration. Bylaw amendments are not valid until approved by the City.

ARTICLE III Community Planning Group Organizations

Section 1. The North Park Planning Committee shall consist of 15 elected Voting Board Members to represent the community. These members of the planning group shall constitute the officially recognized Board of the community planning group for the purpose of these operating procedures.

To ensure representation of unique stakeholder interests in the community planning area, the NPPC may create appointed non-voting seats. (These appointed non-voting seats may include, but are not limited to, bicycle advocates, automobile and public transit advocates, churches, recreation and sports advocates, rental residents and

managers, people with disabilities, artist groups, youth members, etc.) (Appointed seats need the approval of a majority of voting board members.)

Section 2. Elected members of the North Park Planning Committee shall strive, to the extent possible, be representative of the various geographic sections of the community and diversified community interests.

On the North Park Planning Committee elected seats are filled by any eligible Community Member as identified below. There is no further restriction on the distribution of seats among interests in the community.

Elected planning group Board members shall be elected by and from eligible members of the community. To be an eligible Community Member an individual must be at least 18 years of age, with the exception of the Youth Member, and shall be affiliated with the community as:

- (1) a North Park **resident**, who is an individual whose primary address of residence is an address in the North Park community planning area, or,
- (2) a North Park **property owner**, who is an individual identified as the sole or partial owner of record or their designee of a real property (either developed or undeveloped) within the North Park community planning area; however, only one property owner or designee per North Park property may vote and/or run for election to the North Park Planning Committee Board; or,
- (3) a non-resident North Park **business owner**, who must be either the sole or partial owner or designee of a **business or not-for-profit organization** located within the North Park Community planning area. Only one individual as defined above may vote in an election or hold a seat on the board.

An individual may become an eligible Community Member by demonstrating qualifications contained in (1), (2), or (3) above to be an eligible member of the community to the NPPC Secretary or Election Subcommittee prior to the March election or at the time of voting. Member eligibility must be established after the formation of the Election Subcommittee.

To become an eligible member for candidacy purposes, an individual must submit an application demonstrating eligibility. In order to run in the March general election must be completed prior to the March election. Applications are available on the NPPC website. A copy is shown in Exhibit B.

Once eligibility to vote is established, an individual remains an eligible member of the community until a determination is made that the individual does not meet the planning group's criteria and formal action is taken by the planning group. However, the North Park Planning Committee shall require proof of eligibility during elections.

Appointed members of the Board must also meet the requirement of being a Community Member.

Section 3. Voting Members of the North Park Planning Committee Board shall be elected to serve for fixed terms of 2 years with expiration dates during alternate years to provide continuity.

No person may serve on the planning group for more than eight consecutive years.

The eight year limit refers to total maximum consecutive years of service time, not to individual seats held. After a one-year break in service as a planning group member, an individual who had served for eight consecutive years shall again be eligible for election to the planning group.

The planning group will actively seek new members to the extent feasible. If not enough new members are found to fill all vacant seats the planning group may retain some members who have already served for eight consecutive years to continue on the planning group without a break in service.

- (1) Waivers of Maximum Time of Service shall not be granted unless necessary to ensure there are at least 10 voting members.
- (2) Waiver of Maximum Time of Service to ensure there are at least 10 voting members shall be ratified by at least a two-thirds majority of the votes cast by eligible community members participating in the regular election; and
- (3) The term of a voting member elected by a two-thirds vote serving beyond the Maximum Time of Service should count as time served beyond the required break in service as required by this section.

Section 4. A member of the North Park Planning Committee must retain eligibility during the entire term of service.

Section 5. A member of the North Park Planning Committee found to be out of compliance with the provisions of Council Policy 600-24 or the planning groups adopted operating procedures risks loss of defense and indemnification [legal protection and representation] pursuant to Ordinance No. O-19883 NS (Ordinance Providing for Legal Representation to and Indemnification of Community Planning Committees Against Claims for Damages), and any future amendments thereto.

Section 6. Some provisions of these operating procedures constitute requirements under the Brown Act, as outlined in Council Policy 600-24. A member of the North Park Planning Committee who participates in a meeting of the planning group where actions are alleged to have been in violation of the Brown Act may be subject to civil or criminal consequences.

ARTICLE IV Vacancies

Section 1. The North Park Planning Committee shall find that a vacancy exists upon receipt of a resignation in writing from one of its members or upon receipt of a written report from the planning group's secretary reporting the third consecutive absence or fourth absence in the 12-month period of April through March each year, of a member(s) from the planning groups regular meetings.

A vacancy may also exist following a vote of a community planning group as related to ineligibility, or following conclusion of a member-removal process conducted under Article IX of the Policy, or due to adopted operating procedures violations.

Section 2. Vacancies that may occur on the North Park Planning Committee should be filled no later than 120 days following the date of the determination of the vacancy. However, when the end of the 120 day period occurs within 90 days of the annual March election, the vacancy may be included in the March election. The term of office of any member filling a vacancy shall be for the balance of the vacated term. The North Park Planning Committee may fill vacancies at the time the vacancies are declared, or as soon as feasible. A single vacancy that occurs on the North Park Planning Committee shall be filled by a majority vote of the North Park Planning Committee. In the case of a midterm vacancy, once the vacancy is officially declared, the vacancy will be placed on the agenda, and a list of eligible candidates shall be submitted at the next regularly scheduled meeting by the Secretary. Interested individuals may contact the Chair or a Board member to indicate their interest.

Two or more concurrent community planning group vacancies shall be filled by a vote of all eligible Community Members accordance with procedures as outlined in Article V.

Section 3. When the North Park Planning Committee is unable to fill a vacancy within 120 days, as specified above, and the planning group has more than twelve members, a search for a new member should continue; however, either the seat may remain vacant until the next planning group election, or these operating procedures may be amended to permit decreased membership to a minimum of 10 members.

If a vacancy remains for more than 60 days from the time a vacancy is declared, and there are less than 10 elected planning group members in good standing, the planning group shall report in writing the efforts made to fill the vacancy to the City. If, after 60 additional days, the planning group membership has not reached 10 members, the planning group will be deemed inactive until it has attained at least 10 members in good standing.

ARTICLE V Elections

Section 1. General elections of North Park Planning Committee members shall be held during the month of March in accordance with the North Park Planning Committee's adopted elections procedures.

No later than the January meeting, the NPPC Chairperson shall appoint an Election ad hoc subcommittee of five, composed of three elected members who are not running for re-election and, if possible, two eligible members of the community. This subcommittee shall prepare a list of candidates from the qualified eligible list and current Board members whose terms have expired. In February, the Election Subcommittee shall present to the planning group a complete list of interested candidates collected up to that point in time. Candidates may be added at the February meeting. The February meeting shall include candidates' statements.

The deadline to qualify for candidacy in the March general election shall be prior to the adjournment of the February noticed regular or special meeting of the full planning

group membership preceding the election.

In order to be a candidate in the March election, an eligible member of the community (see Article III, Section 2) must have documented attendance at one meeting of the North Park Planning Committee's last 12 meetings prior to the February regular meeting preceding the election.

Section 2. The North Park Planning Committee shall make a good faith effort to utilize means appropriate to publicize the planning group's eligibility requirements for candidacy and the upcoming elections.

In the election process, the planning group shall seek enough new candidates to exceed the number of seats open for election in order to allow those who have served for eight consecutive years to leave the group for at least one year.

The North Park Planning Committee holds its election utilizing a combination of in-person voting and an online voting option. In-person voting will occur on the Saturday preceding the March meeting and at the regular March meeting, as specified in the procedures below. The North Park Planning Committee shall submit procedures to vote on more than one day to the Mayor and the City Attorney 45 days in advance of the first day of voting for review and approval.

Absent urgent matters, the Chair shall not include any agenda items on the March meeting agenda other than accepting the election results to allow adequate time for in-person voting and vote tabulation.

The North Park Planning Committee will require proof of identity of those eligible Community Members who are seeking to vote in the election. The planning group shall ensure that voting is only by eligible members of the community.

The ballot presented to eligible community members to vote will clearly identify which seats individual candidates are running for, how many candidates can be selected, whether there are limitations on which candidates in various categories of the eligible community members can vote for, and which candidates, if any, must receive a two-thirds majority of the vote due to service beyond eight consecutive years of service.

The North Park Planning Committee's policy related to write-in candidates is that write-in candidates are allowed. If it is later determined that the write-in candidate is ineligible, any vote cast for an ineligible write-in candidate is an invalid vote and will not be counted.

Section 3. Voting to elect new planning group members shall be by secret ballot. Proxy voting for elections is not allowed under any circumstances. Development and promotion of slates of candidates is allowed.

Section 4. The North Park Planning Committee's election becomes final after announcing the election results at the conclusion of the noticed regular March monthly planning group meeting. The Chair is responsible for preparing, certifying, and forwarding the election report to the City. New members shall be seated in April at the start of the regular meeting in order to allow their full participation as elected members at the April planning

group meeting.

Any challenge to the election results must be filed with the chair of the Election Subcommittee in writing within 24 hours of the counting of the ballots in order to allow enough time to resolve the issue.

If a challenge to the March election results is filed, it will be referred to the Election Subcommittee for resolution prior to the seating of the newly elected Board at the April regularly scheduled meeting by the process described in Article V, Section C. v. 14, 15. below.

Section 5. The North Park Planning Committee's voting procedures are:

The ballot presented to eligible members to vote will clearly identify which categories candidates have established eligibility in, how many candidates can be selected, and which candidates, if any, must receive a two-thirds majority of the vote due to service beyond eight consecutive years of service. The ballot will also accommodate write-in candidates.

A North Park business may be represented by only one person, who may vote in the North Park Planning Committee election or become qualified as a candidate. The North Park business owner who enlists a designee to represent them must provide documentation to the North Park Planning Committee of that designated representative's identity and authorization to serve as an eligible designee for candidacy or voting as discussed below.

- ii. Team member two (2) of each team will observe this tabulation to ensure the vote is entered correctly
 - iii. Votes will be systematically counted and compared at 25 ballot intervals. If there is a discrepancy in the total of any subset; the ballots for the candidate(s) where the discrepancy occurred will be reviewed until consistency can be reached.
 - iv. Counting will proceed in this manner until all ballots are counted.
 - v. Each team will tabulate all the subsets to arrive at a final count.
6. Following the tabulation of paper ballots, the Election Chair, observed by all members of the Election Subcommittee, shall add the total paper votes to the votes received via online voting. The sum shall constitute the final vote count.
7. If a write-in candidate appears to have enough votes to qualify for a seat, an immediate review of their basic qualifications (resident, owner, business person, etc.), as well as NPPC Eligibility Form and Monthly Meeting Sign-In Sheets will be performed to determine if the candidate is eligible. See Section 1 above.

11. Completed Ballots voting for more than the maximum number of eligible open seats allowed will not be included in the vote count. Ballots with attempted cancelled votes (i.e., crossed-off names or marks, added notes to count certain marks but not others, or other ambiguous markings) shall be reviewed by the Election Subcommittee and counted only if a majority of the subcommittee is able to ascertain the voter's intended votes.

Facts should be related to actions taken during the election process that are not in accordance with CP 600-24 or a community planning group's adopted operating procedures, or with announced or published election procedures or lack thereof. If there is no substance to the challenge and the election results can be certified, newly elected community planning group members shall be seated at the beginning of the April regular meeting. A ratification vote of the Election Subcommittee's findings should be placed on the April agenda for a majority vote of the voting members of the planning group. If there is substance to the challenge, the Election Subcommittee should identify, with input from the planning group's officers, the appropriate resolution. The resolution should be placed on the April agenda for a majority vote of the voting members of the planning group. City staff may be consulted if there is any question or assistance needed. Further criteria and procedures for challenges will follow Council Policy 600-24 and the Administrative Guidelines.
16. A challenged-induced vacancy will be filled by a vote of the North Park Planning Committee pursuant to Article IV, Section 2.
17. The Secretary will maintain ballots for 90 days following the March election or until the resolution of any challenge, whichever occurs later.

ARTICLE VI Community Planning Group and Planning Group Member Duties

Section 1. It is the duty of the North Park Planning Committee to cooperatively work with the City throughout the planning process, including but not limited to the formation of long-range community goals, objectives and proposals or the revision thereto for inclusion in a General or Community Plan.

It is the duty of all planning group Voting Board Members to conduct official business of the planning group in a public setting. It is recognized that the officers of the planning group may oversee administrative business of the planning group, such as the assembling of the draft agenda, in preparation for public discussions. However, all substantive discussions about agenda items or possible group positions on agenda items shall occur at the noticed planning group meetings.

Each Voting Board Member will sit on at least one Subcommittee or Working Group or fulfill a necessary task of the NPPC. The Chairman of the Board may excuse this requirement in extenuating circumstances.

It is the duty of a planning group as a whole, and of each individual member, to refrain from conduct that is detrimental to the planning group or its purposes under Council Policy 600-24. No member shall be permitted to disturb the public meeting so as to disrupt the public process as set forth on the planning group's agenda.

Planning group members may make brief announcements or reports to the planning group on their own activities under the public comment section of the agenda. The planning group may adopt time limits for public comment to ensure operational efficiencies. It is recognized that members of the public may be frustrated or angry when they come to speak. The Board will listen during the speakers allotted time without comment or censure.

(iii) **ADJOURNMENTS AND CONTINUANCES** – If the North Park Planning Committee does not convene a regularly scheduled meeting, there shall be a copy of the "Notice of Adjournment" of the meeting posted on or near the door of the place where the adjourned meeting was to be held within 24 hours after the time the meeting was to be held.

If a meeting is adjourned because less than a quorum was present, a new regular meeting agenda must be prepared. If a meeting is adjourned because no members of the planning group were present, the subsequent meeting, if not a regular meeting, must be noticed as if a special meeting.

(iv) **CONTINUED ITEMS** - If an item is continued from a prior regular meeting to a subsequent meeting more than 5 days from the original meeting, a new agenda must be prepared as if a regular meeting;

otherwise, the original meeting agenda is adequate.

Section 2. Brown Act Remedies. The North Park Planning Committee and its duly elected members may be subject to both Council Policy 600-24 violations as described in Section 3 below and penalties provided for in the Brown Act. The Brown Act includes criminal penalties and civil remedies. Both individual members of the planning group, as well as the planning group itself, may be subject to civil remedies.

Under certain circumstances, individual planning group members may face criminal misdemeanor charges for attending a meeting where action is taken in violation of the Brown Act, and where the member intended to deprive the public of information to which the member knows or has reason to know the public is entitled. Alleged violations will be reviewed and evaluated on a case-by-case basis.

Section 3 Ethical Standards

3.3 Collaboration with City Staff

NPPC voting members will collaborate with the City on an ongoing basis and as requested by the City to increase its voting members' understanding of the role and responsibilities of the NPPC.

3.4 Violations of City Requests for Input

The NPPC acknowledges that a consistent failure to respond to the City's request for input on the preparation of, adoption of, implementation of, or amendment to the General Plan or a community, precise, or specific plans may result in revocation of recognition. Consistent failure to provide input on private development applications or public infrastructure projects may result in revocation of recognition. Further, that such a determination resulting in the forfeiture of rights to represent its community for these purposes will be made by the Council upon the recommendation of the Mayor or his/her Designee.

3.5 Voting Member Training

The NPPC will require all NPPC voting members to complete the formal education program in- person or on-line offered by the City.

The NPPC will require voting members to complete the training each year within 60 days of being initially elected or appointed to the NPPC, and by no later than June 1st of each

succeeding year for as long as the voting member is serving or re-elected.

Evidence of completion of annual training shall be part of the NPPC's official records. Failure of voting members to complete the specified training each year will make the member ineligible to serve.

3.6 Participation during meetings

It is the duty of a planning group as a whole, and of each individual member, to refrain from conduct that is detrimental to the planning group or its purposes under Council Policy 600-24. NPPC Board Members should use sound judgment to make the best possible business decisions for the association, taking into consideration all available information, circumstances, and resources.

No member, either NPPC Board Member or meeting attendees, shall be permitted to disturb the public meeting so as to disrupt the public process as set forth on the planning group's agenda. All NPPC Board Members will Refrain from personal attacks, harassment, or threats with colleagues, staff, or residents.

If during NPPC meetings, there is a disruption, the NPPC Chair is allowed to warn the disrupter about their behavior and the need for the meeting to continue. A second warning of inappropriate behavior and the NPPC Chair can call for a brief recess. A direct economic interest includes, but is not limited to, investments in or positions with a business entity, interest in real property, source of income, source of gifts, and personal finances.

If the NPPC Member has a Conflict of Interest, they must disclose the interest and abstain from discussion of the issue. The NPPC Member must take a short break from the meeting and not be present during the discussion. The NPPC Member absence must be documented and will count as part of the quorum for that item.

3.8 Exceptions to Conflicts of Interest

Exceptions to conflicts of interest may be granted by a CPG board to other CPG voting members who can show that the decision will not have an effect on their economic interest.

3.9 Abstentions for Potential Conflicts of Interest

NPPC voting members may voluntarily choose to abstain from voting when that member has legitimate, non-economic, personal interests in the outcome that would, at minimum, give the appearance of impropriety, cast doubt on that member's ability to make a fair decision, or a where that voting member lacks sufficient information upon which to cast a vote. The NPPC's record of the vote on the item will reflect an abstaining voting member in the vote and they are still counted in a community planning group quorum for that item, regardless of the point in time they declare their abstention.

3.10 Conflicts of Interest Disciplinary Actions

NPPC voting members found to have a conflict of interest who did not recuse from a vote may be subject to disciplinary action by the officers of the NPPC, which may include expulsion from the board. The NPPC will report in writing instances of disciplinary action to the City within 60 days of any allegation.

The complaint should be filed within 90 days of the alleged violation.

If, after a thorough investigation, the planning group determines that the individual member has violated a provision of these operating procedures or Council Policy 600-24, the planning group shall, where feasible, seek a remedy that corrects the violation and allows the member to remain as a member of the planning group.

If corrective action or measures are not feasible, the group may remove a member by a two-thirds vote of the voting members of the planning group. The vote to remove the group member shall occur at a regularly scheduled public meeting subject to the procedures outlined in the Administrative Guidelines and these operating procedures.

If the planning group member is found to be out of compliance with the provisions of

Investigation procedures for elected member violations are outlined below:

Any action by the North Park Planning Committee to discipline or remove a member must occur at a scheduled planning group meeting and be advertised on the agenda as an action item. Due to the significant nature of removing an elected member, and to ensure a fair and public process, the procedures for investigating a violation of a member are listed below:

B. Documenting a violation:

- A complaint that a violation of operating procedures of Council Policy 600-24 has occurred will be presented to the planning group chair. If the complaint is about the chair, it may be presented to any other officer of the planning group.
- The complaint should be detailed enough to provide a description of, and timeframe within which, the alleged violation was committed and who was responsible for the violation.
- The complaint should provide a citation of the operating procedures or Council Policy 600- 24 provisions of which the action is claimed to violate. If the complaint is from someone other than another planning group member, the chair [or other officer] may assist in providing appropriate citations to assist the complainant.
- The chair will confer with planning group officers (exception: if an officer is the subject of the grievance or has a business or personal relationship with the alleged violator) regarding the complaint
- The chair shall create a written record of the complaint and alleged violation to share with the alleged violator.

C. Procedures for administering and acting on investigating a violation: While the authority for this process rests with this planning group, City staff may be contacted for assistance at any point in the process.

- Once the information about an alleged violation is completed in writing, the chair, with assistance from the planning group officers, will meet and talk with the planning group member against whom the violation is alleged. The allegations will be presented and the planning group member shall be given opportunity for rebuttal.
- If the chair, with assistance from the planning group officers, determines that no violation has occurred, the chair may record this in the written record of the complaint.
- If the chair, with assistance from the planning group officers, determines that a violation has occurred but the situation can be remedied either by

action of the planning group or by the planning group member, then the chair will outline the necessary actions to achieve the remedy.

- If the chair, with assistance from the planning group officers, determines that the situation cannot be remedied and that the interests of the community and North Park Planning Committee would best be served by the removal of the planning group member, then the chair shall set the matter for discussion at the next planning group meeting. The planning group member who committed the violation shall be given adequate notice about the meeting discussion, and will be given the opportunity to resign prior to docketing the matter for a planning group discussion.

D. Presenting a violation to the planning group:

- The matter of removing a seated planning group member will be placed on the planning group's agenda as a potential action item. Supporting materials from the Chair or from the offending planning group member will be made available to the elected planning group members prior to the meeting.
- The matter will be discussed at the planning group's regular meeting with opportunity given to the planning group member who committed the violation to present their case and/or rebut documentation gathered by the Chair with the assistance of the planning group officers. The member may also request a continuance of the item to gather more information to present to the planning group.
- At the end of the discussion, the planning group may, by a 2/3 vote, choose to remove the member.

E. Recourse for expelled member:

- There is no appeal available to an elected planning group member removed by a two-thirds vote of the voting members of their recognized community planning group.
- The planning group member's seat shall be immediately declared vacant and subject to provisions of Article IV.
- The removal of a planning group member by a 2/3 vote of their recognized community planning group will not prohibit the member from running for a planning group seat in future scheduled elections.

F. Alleged Violations Against the North Park Planning Committee as a Whole

In the case of an alleged violation of the planning group's operating procedures or of Council Policy 600-24 by the planning group as a whole or multiple members of the planning group, the violation shall be forwarded in writing to the City. The Mayor's Office will engage in a dialogue with the planning group, determining the validity of the complaint, and seeking resolution of the issue or dispute. The North Park Planning Committee will work with the City toward a solution and the planning group recognizes that, in accordance with Council Policy 600-24, the City may consult with

the Community Planners Committee.

If a violation against the planning group as a whole is proven and there is a failure of the planning group to take corrective action, the planning group will forfeit its rights to represent its community as a community planning group recognized under Council Policy 600-24. Such a determination resulting in the forfeiture of a seated group's rights to represent its community shall be based on a recommendation by the Mayor's Office to the City Council. A planning group shall not forfeit its recognized status until there is an action by the City Council to remove the status. The City Council may also prescribe conditions under which official recognition will be reinstated.

If the planning group is found to be out of compliance with the provisions of this Policy not subject to the Brown Act or its adopted operating procedures risks loss of indemnification [legal protection and representation] pursuant to Ordinance No. O-19883 NS (Ordinance Providing for Legal Representation to and Indemnification of Community Planning Committees Against Claims for Damages), and any future amendments thereto.
