## NORTH PARK PLANNING COMMITTEE

The North Park Planning Committee (NPPC) **represents the citizens of North Park** by providing a forum to discuss, explore, question and monitor land use and development issues.

We provide **advisory recommendations to the City** regarding projects in the community and are recognized by the City as an important part of the approval process for new development and services. **The more participants, the more influence we have on the future of North Park:** how it will look and what it will include.
